

WHISPERFLOXF®

HIGH PERFORMANCE PUMP

The most energy-efficient pump in its class

EFFICIENT DESIGN FROM THE INSIDE OUT

Extra-large basket needs less emptying;
smooth surface allows easy debris removal

Diamond seals made of oxidation-resistant
EPDM rubber for longer-lasting, leak-
resistant performance

Proprietary hydraulic isolator satisfies the
competing priorities of smooth priming
and optimally efficient operation

Upgraded dual-compartment motor
allows simpler electrical installation

Now there's a pool pump for demanding, high-capacity applications that's energy efficient, whisper quiet and dependable: **the WhisperFloXF® High Performance Pump**.

DRIVEN BY NEW IDEAS

Our engineers left the old assumptions behind. Calling on the latest computer-aided engineering tools, they developed a proprietary design that was completely rethought from the inside out. They achieved a level of streamlined fluid flow and precision manufacturing that simply wasn't possible in the past. And when their work was done, they had created the WhisperFloXF pump—the most energy-efficient pump ever offered in its class.

THE POWER TO DO MORE

The WhisperFloXF pump is the most efficient, technologically advanced WhisperFlo® High Performance Pump we have ever manufactured. With outstanding performance from both a maximum-flow and mean-flow perspective, it's an ideal choice for commercial pools, as well as residential pools with waterfalls, slides and other water features.

Union connectors included—
connects directly to 2.5" or 3" plumbing

HIGH CAPACITY MEETS HIGH EFFICIENCY

With half a century's worth of dependable service to their credit, Pentair pumps have been the first choice for over 2 million pool owners. Now the WhisperFloXF pump—the most powerful and energy-efficient WhisperFlo pump in Pentair history—continues the tradition of installer-friendly design and hassle-free service life.

Basket

- Union connectors included—connects directly to 2.5" or 3" plumbing.
- Drop-in replacement for all WhisperFlo pump models. Simple replacement for Challenger® High Pressure and High Flow Pumps.*
- See-through lid makes basket inspection fast and easy.
- User-friendly Cam and Ramp™ Lid removes easily and locks in place quickly with a quarter-turn.
- External port threads and included tool-free unions require only hand tightening for a perfect fit.
- Easy-carry handle is a back-saver at the equipment pad.

*Riser base required for Challenger pump replacements. Part # 400012 available separately.

WHISPERFLOXF[®]

HIGH PERFORMANCE PUMP

Cam and Ramp™ Lid makes inspection and cleaning simple and quick

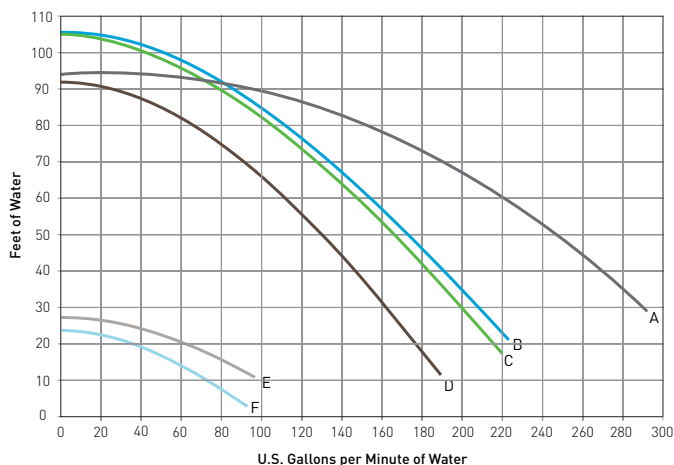

Built-in handle for easy installation

2.5" or 3" union connectors included

Oversized strainer basket extends time between cleanings

PERFORMANCE CURVES

Performance Curve	Model	Description
A	XFE-20	5 HP, High Efficiency
A	XFK-20	5 HP, 3-Phase, TEFC Motor
B	XFE-12	3 HP, High Efficiency
C	XF-12	3 HP, Standard Efficiency
B,E	XFDS-12	3 HP, 2-Speed
B	XFK-12	3 HP, 3-Phase, TEFC Motor
D	XFE-8	2 HP, High Efficiency
D	XF-8	2 HP, Standard Efficiency
D,F	XFDS-8	2 HP, 2-Speed
D	XFE-30	2.5 HP, High Efficiency, Up-rated
D	XF-30	2.5 HP, Standard Efficiency, Up-rated
D,F	XFDS-30	2.5 HP, 2-Speed, Up-rated
